Orange County Women's Soccer League

The Orange County Women's Soccer League also, known as the OCWSL is in its first year of existence. The reason for the league being formed, was to give the MODERN woman a chance to get out and have fun, compete with women her own age, and to have the pride of doing something on her own.

The games are always on Sundays so they don't interfere with our children's leagues. The average age of a team must be 30; now don't laugh, Remember!! YOUR NOT GETTING OLDER, YOUR GETTING BETTER!

We now have teams from Cypress, Buena Park, Garden Grove, Huntington Beach, Yorba Linda, and Anaheim. Fullerton, Brea and Seal Beach will be joining our league next year, and we would really like to have teams from other areas too!

The founders, Hector and Martha Giannetti and our League President, Carole Cislaw, have taken our league with the help of the Board, the Team Representatives, and all the fantastic players from each team and made it something to be proud of.

We would like to invite any

interested teams, or women who would like to join a team to call one of the following numbers, and we will give you any information you might need for a year of exercise, fun, and an experience you'll never forget!!!
