Transferring Teams

There shall be no transferring of players from one team to another during the season without the approval of both teams involved, and completion of a Resignation/Transfer form and the appropriate registration fee. The Executive Board must approve any extenuating circumstances.

Resignations

Resignations are to be made on a standard resignation form provided by the league. To drop a player:

Dropping a player

- The Team Representative must obtain a signed resignation form or letter from the player to be dropped and return it, along with the player's OCWSL - issued ID Card, to the Registrar.
- The player will not be dropped until the resignation form and OCWSL - issued ID card are received.
- If the player is not available to complete the Resignation/Transfer form, the Team Representative may complete the Resignation/Transfer form and return it, along with the player's OCWSL – issued ID card, to the Registrar. Upon receipt of the card, the registrar shall mail a drop notice to the player being dropped, allowing two weeks from the postmark date for the player to respond. At the end of two weeks, with no objections heard, the player will officially be dropped.
